GPS Active Antenna Detection & Protection Reference Circuit

GPS_Active Antenna_Detection & Protection_
Reference Circuit_V1.0

Document Title	GPS Active Antenna Detection and Protection Reference Circuit
Revision	1.0
Date	2012-08-24
Status	Released
Document Control ID	GPS_Active Antenna_Detection & Protection_Reference Circuit_V1.0

General Notes

Quectel offers this information as a service to its customers, to support application and engineering efforts that use the products designed by Quectel. The information provided is based upon requirements specifically provided for customers of Quectel. Quectel has not undertaken any independent search for additional information, relevant to any information that may be in the customer's possession. Furthermore, system validation of this product designed by Quectel within a larger electronic system remains the responsibility of the customer or the customer's system integrator. All specifications supplied herein are subject to change.
